

Easy Documentation

Record services and progress notes efficiently within the MISTAR-Q interface.

Group Management

Educators can easily create groups and efficiently log services for all members with just a couple clicks.

Better Communication

Our Service Tracker fosters seamless communication between educators, specialists, and billers.

Service Tracker

MISTAR-Q takes Medicaid billing management to the next level with our Service Tracker.

This user-friendly tool simplifies tracking and billing, allowing you to focus on what matters most: student success.

Visit **www.mistar-q.org** for more information

Service Tracker puts the power of data at your fingertips, helping you deliver individualized instruction, improve communication, and streamline service tracking for Medicaid billing and reimbursements.
