Simplify Student Enrollment with Q Online Registration

MISTAR-Q's Online Registration module allows your district to streamline enrollment for new and returning students. Eliminate in-person appointments, enhance data security, and minimize the complexities and expenses associated with traditional paper-based enrollment.

Our intuitive portal enables parents to submit all of their student's data and documents for a straightforward online experience, ensuring every student is ready for the first day of school.

Online Document Submission

"This year, we have about a week left until our re-enrollment window closes and we already have an 85% completion rate. We expect that to increase to 95% by next week with a few days left to spare. Those numbers wouldn't have been achievable with our old process."

Tara Lindlahar, Clovis Unified School District
