

# Program Forms

Tired of juggling separate special education forms and compliance headaches? MISTAR-Q's Program Forms helps streamline your special education process.

Visit [www.mistar-q.org](http://www.mistar-q.org) for more information

## Validation Rules

Reduce errors and ensure forms meet minimal special education compliance standards automatically.

MISTAR-Q's pre-built and compliant program forms for special education programs and 504 plans helps save your district valuable time.

## Library of Forms

MISTAR-Q Program Forms offers a robust library of compliant special education forms.

## Streamlined Workflows

Develop custom workflows to save time and focus on supporting students, not paperwork.
