Continuing Ed Credits

Staff can earn continuing education credits that contribute to their required professional development.

Metamorphosis is an evidence-based learning platform that gives educators a self-paced path to learning the MISTAR-Q product suite. Our two tracks for teachers and office administrators ensure a tailored approach to achieving user adoption and success.

Interactive Learning

Our program is built in an interactive learning environment & focuses on engaging course material.

Self-Paced Tracks

Metamorphosis offers a self-paced learning approach with badges to showcase users' SIS mastery.
