About
Q Analytics

This fully-integrated module allows users to quickly and accurately analyze district data to report on trends, identify problem areas, and discover solutions.

Visit www.mistar-q.org for more information

With Q Analytics, users can digitally track student progress, performance, and success to inform decision making for positive change and intervention.

Custom Dashboards

Create custom dashboards with visual graphs to display the data most important to you.

Drill Downs & Filters

Dig deeper with drill downs and filters to hone in on specific pieces of data.

Real Time Data

Users can easily and accurately pull and analyze district data in real time.
